

Discover God's Story

Discovery Steps:

1. Pray.

Ask God to help you understand the Bible as you study.

2. Read.

Read the Bible passage 2 times.

(If you can find someone else to study with, have different people read.)

3. Question (take turns answering):

"What do you learn about God?"

"What do you learn about man?"

(There may be more than one thing that you each learn. Always make sure you can show where you found your discovery in the Bible verses.)

4. Question:

"How are you going to obey the Bible?"

(Here you are applying what you have discovered.)

5. Question:

Who are you going to share with?

(Tell your friends not in your group what you are learning in the Bible.)
