

Thanks for praying for **Western Europe Regional Conference over Thanksgiving week**. It was a special time to come together for relationship building, encouragement and relaxation for our missionaries. The theme was **Overflowing: Ministry from a Healthy Soul** and the speakers reminded us that we can only overflow to others once we are first filled up with God.

"Keep your heart with all vigilance, for from it flow the springs of life." Proverbs 4:23

Coaching Workshop.

I took "The COACH Model" training 3 years ago and it has been the most helpful thing I've received to lead and develop people. Rather than being the one giving all the answers, this teaches you to draw out the answers through questions. It also teaches you how to help the person set action steps to move forward.

These skills have been so instrumental in allowing me to lead from a distance.

So, we would like to provide this for our ABWE team leaders.

Team Leaders and their wives from Ireland, England, Germany, France, Italy, Spain and Portugal will be coming together in March for our annual leaders meeting. We are planning to hold the training then.

Please pray that this will be a helpful tool for our leaders as they seek to multiply disciples, leaders, churches and missions movements in Western Europe!

Thanks for your partnership in ministry!

Serving together, *The Farran Family*

GET INVOLVED

Would you pray about a one time donation to help with the cost of the training?

The training costs \$349 per person and \$900 for the trainer's flights. (Total cost \$5,786)

To make a one time donation online go to: farran.abwe.org/give

In the box for Additional Donation Details enter: Coach training
