

What a whirlwind the last 6 weeks have been!

Our family packed up on June 13 and headed to **England** to visit the ABWE missionaries. While at church with our missionaries, we heard the testimony of a young couple that recently came to faith. The wife had attended a church outreach to young moms and heard the gospel for the first time. It was great to see all that God is doing!

Then we jumped over to **Ireland** with the same goals in mind- see the church planting efforts and learn about the culture. We had a great time with the missionaries, saw some beautiful coastline and had many encouraging conversations.

After Ireland, we headed to the states. 10 days with family in **Michigan**, 4 days at an ABWE Conference in **Baltimore**, 2 days at security training in **Harrisburg**. Then back to **Portugal!**

But, only Kyle and the girls returned to Portugal. Heather stayed for an extra week at the ABWE headquarters to help with the training of new missionaries. She helped teach the section called Holistic Ministry which unpacks how we want to be sharing the gospel in Word and Deed.

Thanks for your partnership in ministry!

The Farran Family

We just HAD to take time for coffee in a castle!

Vehicle need:

When we arrived in Portugal we purchased a 7 seater car, but the rear 2 seats don't work well for adults. In our role as Regional Director we have ended up transporting more visitors and surveying missionaries than anticipated.

After trying to make it work this year, we finally realized it was time for a mini van when our guests could barely fit...and one of the seat latches broke when trying to get people out of the back seat.

The cost for a used mini van will be \$12,000 more than we are able to sell our car for. Vehicles are not figured into our salary, so it is an additional amount that we need to raise.

Would you pray about helping out with a one time gift?

If the Lord leads you to give, you can go use one of the methods below. Thanks for your partnership in ministry, whether in prayer or giving!
