

Happy Thanksgiving!

We have so much to be thankful for and this time of year is a great reminder of all that God has done for us.

*“Let them thank the Lord for his steadfast love, for his wondrous works to the children of man!
For he satisfies the longing soul, and the hungry soul he fills with good things.”*

Ps. 107:8-9

We want to give a huge “Thank You!” for all who prayed for and contributed to our need for a new vehicle. All that we needed was supplied and a missionary co-worker helped us find the perfect used minivan for our family. It has been a real blessing as we travel around and host guests!

In October I traveled to Norway to join some of our missionaries who were on their survey trip. I spent a few days helping them plan for their upcoming move to Norway (Lord willing in early 2020). They met Norwegian pastors, visited some language schools and checked out housing and vehicle options. **In Norway, less than 3% of people attend any kind of church regularly! Please pray for more missionaries and churches in Norway.**

Here is a short video I took in Norway:

This Thanksgiving, our entire Western Europe region will be meeting for a conference. This conference happens every 3 years and is a time of refreshment, rest and worship in English. About 150 adults and kids will be attending. While the responsibility falls on Heather and I to plan the conference, there are so many people and churches helping to pull this off. **Please pray with us that it will be an encouraging and challenging time for the missionaries! Also, please pray for everyone to stay healthy (last time many people came down with the flu).**

Heather was recently a guest on “The Missions Podcast” to talk about life as a missionary wife & mother. There is a link to it on our website (farran.abwe.org). If you know other missionaries that may find it encouraging, please pass it on!

Preparing name tags for the conference.

Thanks for your partnership in ministry!
