MINISTRY AND MISSIONS THAT FLOW FROM THE HEART

OVERFLOWING STUDY GUIDE

This study guide is designed to help you think deeply and apply the truths from *Overflowing* to your heart and life. Don't let these truths go through your mind like water through a pipe.

You can use this study guide for a personal study or for a group.

Pray. Reflect. Let God's Word penetrate your heart and change your life!

“Search me, O God, and know my heart!
Try me and know my thoughts!
And see if there be any grievous way in me,
and lead me in the way everlasting!”
Psalm 139:23-24

Each chapter's questions are intentionally the same because they are designed to help you reflect on what YOU are learning from the content, not simply repeat the content. Because of this, these same questions can be used as a study guide for other books you read. They are purposefully designed to draw out what God is doing in your life.

If you would like a Google Docs version of this, you can find it [HERE](#).
